Skills

HTML | CSS | JavaScript | React.JS | Vue.JS | Angular.JS | Node.JS | Express.JS | MongoDB | MySQL | Redis | AWS | GCP | GIT

Experience

Senior Software Engineer | Shypmax   Gurugram, India | Dec 2021 - Present
- Created highly scalable REST APIs, background workers, and reusable code modules with Node.JS, Express.JS & MySQL.
- Developed optimized job scheduler/cron to perform specific tasks, meeting business goals and handling pending tasks.
- Designed and implemented an optimized, responsive, and device-friendly frontend using Vue.JS & React.JS, integrating REST APIs and a payment gateway.
- Collaborated with cross-functional teams to define project requirements and deadlines, designed project architecture, participated in code reviews, maintained project documentation, provided technical support, and troubleshooted systems.

Senior Software Engineer | Simplilearn   Bangalore, India | Sep 2021 - Nov 2021
- Built highly scalable and optimized REST APIs with Node.JS & Express.JS to manage millions of learners worldwide.
- Developed optimized, responsive, and device-friendly frontends with React.JS & Angular.JS, integrating REST APIs.
- Collaborated with cross-functional teams to define project requirements and deadlines, designed project architecture, participated in code reviews, maintained project documentation, provided technical support, and troubleshooted systems.

Software Engineer | HostBooks   Gurugram, India | Jun 2018 - Aug 2021
- Managed a team of seven skilled developers: discussed tasks, assigned responsibilities, reviewed pull requests, provided guidance, and feedback.
- Created a chatbot using WebRTC and Socket.IO, enhancing customer engagement and contributing to company growth.
- Developed highly scalable and optimized REST APIs and reusable code modules with Node.JS, Express.JS, MySQL, and MongoDB.
- Designed optimized, responsive, and device-friendly frontends using Angular.JS & React.JS, integrating REST APIs and payment gateways.
- Collaborated with cross-functional teams to define project requirements and deadlines, designed project architecture, participated in code reviews, maintained project documentation, provided technical support, and troubleshooted systems.

Education

Rajasthan Technical University, Kota, India   Jul 2013 - Jun 2017
- Bachelor of Technology in Computer Science & Engineering | Aggregate: 79%

JIC, Sultanpur, India   Jul 2010 - Jun 2011
- Class XII | Senior Secondary | Aggregate: 78%

JIC, Sultanpur, India   Jul 2008 - Jun 2009
- Class X | Secondary | Aggregate: 77%

Personal Projects

- Designed and developed a chatbot using WebRTC & Socket.IO.
- Created a Chrome extension for auto-login & data autofill on websites.

Licenses & Certifications

- JavaScript Developer | HackerRank
- Application Developer | Shaw Academy

Academic & Achievements

- Secured 1st Rank | College 2017
- Secured 218th Rank | UPSEE 2013
- Secured 213th Rank | IERT 2013

Languages & Hobbies

- Fluent in Hindi & English
- Passionate about Coding & Swimming
